**RESPONSE TO NOTICE TO FILE CORRECTED APPLICATION
PAPERS AND PETITION TO WITHDRAW REQUIREMENT
FOR SUBSTITUTE DRAWINGS**

PETITIONS

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

The Notice to File Corrected Application Papers dated February 26, 2001, sets forth one reason for requiring new drawings.

Figure 15 (not objected to) has incorrect margins, and so a corrected Figure 15 is submitted concurrently.

The Notice states "drawing figures contain text that is not in English." Withdrawal of this requirement is respectfully requested, for the reasons stated below.

The present invention relates to removing unwanted lines from characters. The Figures no using English text illustrate Japanese characters with unwanted lines through them and how these lines can be removed. The actual meaning of the Japanese characters is irrelevant. The Japanese characters are graphical objects, to illustrate line removal. Further, to translate these characters into English would not be possible, as the length of the English translations would be different from the Japanese counterparts, which would change the meaning and structure of all of the Figures. The undersigned Attorney spoke to Bridgett Gray, the Chief U.S.P.T.O.

Draftsperson on January 11, 2000 with regard to the very same requirement for the parent case of the present Application (Serial No. 08/909,137), and she agreed that these Figures did not have to be translated.

The Applicant further spoke to Bob Spar at the U.S.P.T.O. with regard to the very same requirement for the parent case of the present Application (Serial No. 08/909,137), who is listed on PTO-Communications as a contact to discuss the new rules. Mr. Spar confirmed that due to the circumstances, the drawing objections should be withdrawn.

Therefore, in view of the above, the requirement for substitute drawings because figures contain text that is not in English is respectfully traversed, and withdrawal of this requirement is respectfully requested.

If there are any questions or you would like to discuss this matter, please contact the undersigned Attorney by telephone.

Respectfully submitted,

STAAS & HALSEY LLP
